Bonn, 23 Mai 2024

Dear Colleagues,

We are pleased about the many registrations for the ATdS that we have already received. For those who are still undecided, we have decided to extend the registration deadline to July 15. As only a few students have registered so far, we would be very grateful for appropriate advertising.

In today's circular, we would like to draw your attention to a few organizational points:

- All those who would like to take on a presentation in a working group are asked to contact the respective working group leader by June 15 at the latest. Here, too, we have extended the deadline by 2 weeks.
- We would also like to remind you that there is the possibility of presenting a poster or presenting a project in a shorter time slot – please send an email to atds2024@uni-bonn.de.
- We kindly ask the working group leaders to let us know whether we should provide a laptop and to register themselves if they have not already done so.
- During the coffee breaks, we would like to draw attention to the latest publications on a book table (from publication year 2021). You are welcome to stock this table by providing us with a copy (preferably marked with a review copy sticker) for the duration of the conference.

If you have any further questions, please do not hesitate to contact us.

On behalf of the Bonn organization team, best regards,

Kathrin Chlench-Priber

R. Fechner
